

REMARKS

In the Office action dated June 13, 2008, claims 1-16 were subject to a restriction requirement. In particular, the Examiner has required restriction under 35 U.S.C. §§ 121 and 372 to one of the following inventions:

Group I. Claims 1-7 and 13-16, drawn to a superconductor; and

Group II. Claims 8-12, drawn to a substrate.

In response to the restriction requirement, Applicants hereby elect the invention of **Group I**, claims 1-7 and 13-16, without traverse. Applicants hereby request that claims 8-12 be cancelled without prejudice to future prosecution in a continuing application.

Applicants suggest the application is in condition for examination. If there are any questions regarding this paper, or the application as a whole, the Examiner is encouraged to contact the undersigned agent.
